

Build-a-Banner Pennant Pack

Every letter from A to Z and four picture spacers, one big pennant per page. Print only the pages you need to spell out any phrase.

How to use it

1. Find each letter's page number in the page map.
2. In your print window, type the page numbers into the Pages box, like 9, 2, 17.
3. Need a letter twice? List its page twice.
4. Cut on the dashed line and punch the two small circles.
5. Thread ribbon, yarn, or twine through the holes, from back to front and back again.

Card stock or colored paper holds its shape best.
Print at 100% so the pennants come out the same size.
